

If you'd be willing to be a sponsor you would:

- \$300 donation

- Bring at least 4 adults to the site of meal served from 5:30-6:30.

- Sponsors need to arrive at the site at 3:30

- All meals will be pre-arranged menus and all groceries will be at the site

- Sponsors would prepare the meal and serve to the public and help with clean-up. Students from NHS and Confirmation Classes will help serve but will not be able to help prepare.

- Many dates are open so if you can be flexible, I will slot you in the first available date and let you know when your meal is planned.

- The site will be rotated between the four churches so if you would like to serve at any particular church please let me know

If you can't be a sponsor but would like to contribute you could help by:

- Donating a monetary gift.

- Donating food of any kind meat, veg, chips, etc.

- Helping to serve or be behind the scenes working.
