Competitive Pay + Shift Differentials + Flexible Schedules + Work-life Balance

We strive to provide a culture of excellence and continuous improvement, and in doing so have high staff to resident ratios which means our residents receive safe, quality care and our employees are happier.

Wages shown are presented at starting rates; related experience and training are taken into consideration upon hire.

Certified Nursing Assistant (CNA)

Starting: \$21.50

As a Nursing Assistant you will provide personal care and designated health-related services in a safe, caring manner designed to maintain the resident's physical and emotional well-being to make sure our residents lead fulfilling lives. Our Nursing Assistants assist nursing personnel in maintaining supplies, performing cares, and residents' activities of daily living. Evening (\$3/hr) and Overnight (\$4/hr) differential eligible.

Full Time or Part Time: Day Shift

Part Time: Overnights

Licensed Practical Nurse (LPN)

Starting: \$29.25

As a Nurse you will direct the day-to-day activities of the Nursing Assistants, prepare and administer medications as ordered by the physician, perform drug administration, communicate changes in patient clinical condition, and complete required documentation and charting. Evening (\$3/hr) and Overnight (\$4/hr) differential eligible.

Full Time or Part Time: Evening Shift

Registered Nurse (RN)

Starting: \$37.25

As a Nurse you will direct the day-to-day activities of the Nursing Assistants, prepare and administer medications as ordered by the physician, perform drug administration, communicate changes in patient clinical condition, and complete required documentation and charting. Evening (\$3/hr) and Overnight (\$4/hr) differential eligible.

Full Time or Part Time: Evening Shift

Don't see the job you were hoping for? We're always looking for enthusiastic, caring individuals to join our team and accept applications for all positions at any time!
